

Copyright Assignment Agreement

The Author hereby agrees to publish in the *Asian Journal of Anesthesiology* article (“the Work”) tentatively entitled:

And agrees to transfer to the publisher (including any joint publisher) of the *Asian Journal of Anesthesiology* the copyright of the Work in all forms and media should the Work be published by said publisher.

Nevertheless, the Author reserves rights of personal use of the Work, such as:

1. trademark and patent rights pertaining to the Work;
2. the right to reproduce all or part of the Work for educational use by the Author;
3. the right to use all or part of the Work in a future book by the Author or for inclusion of the Work in a collection for publication;
4. the right to use the work for internal distribution at the Author’s place of employment; and
5. the right to publicly recite all or part of the Work and the information it contains.

The Author hereby warrants that the Work is original; and furthermore warrants the Work contains no libelous or illegal content, nor infringes the intellectual property rights of any third party. If the title of the Work is altered for editorial reasons, the Author agrees to regard the Work with altered title as the same work and that such alteration shall not affect the validity of this Agreement.

If the Work is the collective effort of two or more authors, the signing Author has notified all other authors of the Work regarding the provisions of this Copyright Assignment Agreement and has obtained the consent of all said authors to execute this Agreement for and on behalf of all the authors of the Work
